

DAMASUS KRETARTA SANITYASA

Financial Analyst | Data Analyst | BIDA® & FPAP™ Candidate |

Business Management Graduate

+48 576 529 351 | kreysanityasa@gmail.com | Warsaw, Poland

SUMMARY

Data-driven Finance student with advanced technical proficiency in SQL, Power BI, and Excel, currently pursuing FP&A certification (CFI). Proven expertise in financial modeling and accounting fundamentals, with a focus on streamlining reporting and category profitability tracking. Passionate about bridging the gap between raw data and strategic decision-making to support month-end closing and cross-functional budget management.

PROFESSIONAL EXPERIENCE

Crew Trainer/Instruktor

McDonald's Polska — Warsaw | (2021– Present)

Key responsibilities relevant to tech roles and teamwork:

- Operational Leadership: Coordinated daily workflows and onboarded new staff to ensure 100% adherence to quality and safety standards in a high-volume environment.
 - Cost Optimization & Reporting: Monitored production quantities and reported daily metrics to management to identify trends and reduce food waste.
 - Performance Monitoring: Conducted real-time quality audits and provided coaching to team members to maintain service consistency under high-pressure conditions.
 - Problem Solving: Managed customer relations and resolved operational bottlenecks to improve order accuracy and team efficiency.
-

PROJECTS

I. Sales Performance Dashboard

[https://github.com/kreysanityasa-](https://github.com/kreysanityasa-eng/Excel_Analytics_Projects/blob/main/Sales%20Dashboard%20Project%20(coffee%20order).xlsx)

[eng/Excel_Analytics_Projects/blob/main/Sales%20Dashboard%20Project%20\(coffee%20order\).xlsx](https://github.com/kreysanityasa-eng/Excel_Analytics_Projects/blob/main/Sales%20Dashboard%20Project%20(coffee%20order).xlsx)

- Developed a dynamic dashboard to analyze regional sales, top-performing products, and sales targets.
- Implemented data cleaning, lookup functions, and interactive visuals for business reporting.

II. HR Analytic Dashboard

[https://github.com/kreysanityasa-](https://github.com/kreysanityasa-eng/Excel_Analytics_Projects/blob/main/HR%20Attrition%20Project.xlsx)

[eng/Excel_Analytics_Projects/blob/main/HR%20Attrition%20Project.xlsx](https://github.com/kreysanityasa-eng/Excel_Analytics_Projects/blob/main/HR%20Attrition%20Project.xlsx)

- Analyzed employee data to track attrition, job satisfaction, and performance.
- Created visual insights using charts, slicers, and KPIs to support HR decision-making.

III. Budget Planner Dashboard

[https://github.com/kreysanityasa-](https://github.com/kreysanityasa-eng/Excel_Analytics_Projects/blob/main/Budget%20Planner%20Dashboard.xlsx)

[eng/Excel_Analytics_Projects/blob/main/Budget%20Planner%20Dashboard.xlsx](https://github.com/kreysanityasa-eng/Excel_Analytics_Projects/blob/main/Budget%20Planner%20Dashboard.xlsx)

- Designed a comprehensive tracker to monitor monthly and annual budgets across departments.
- Used formulas, conditional formatting, and PivotTables to identify variances and trends.
- Summarized data into visual dashboards for quick financial insights.

GOAL

Business Management graduate and aspiring Financial Analyst specializing in BIDA and FP&A (CFI). I combine advanced SQL, Power BI, and Excel skills to drive financial accuracy, optimize marketing budgets, and reduce operational waste. Focused on delivering actionable insights for month-end reporting and product profitability tracking.
